 - B. Detail
 - C. Detail

Look at this outline for a story about a great vacation.

 - A. Learned to scuba dive and water ski
 - B. Went to Disney World
 - C. My best friend was there
2. I didn't want it to end.

Now here's the written story.

My best vacation ever was in Florida. I learned to scuba dive and water ski at the beach. We went to Disney World for two days and rode every single ride. Best of all, my best friend Elena was there. It was one vacation I never wanted to end.
